MISCELLANEOUS.

NOTE ON THE CHINTAMANI CO-OPERATIVE SOCIETY, LIMITED.

Camp Ooregum, dated 6th December 1911.

The Chintamani Co-operative Society, Ltd., was registered on 29th August 1911 and commenced work on 1st September 1911. I inspected the Society from the 28th to 30th November 1911 and made a detailed audit of the accounts of the Society for the three months ending 30th November 1911.

During the above three months the Society enlisted 177 members and allotted 477 out of the 1,000 shares of Rs. 10 each authorized to the Society. The shares are payable in monthly instalments of eight annas per share allotted. One member died and five shares were released. Excluding Rs. 50 returned to the nominee of the deceased member, the paid-up share capital of the Society on the 30th November 1911 amounted to Rs. 1,027 for 469 shares, working to an average collection of Rs. 2-3-0 per share as against a minimum Rs. 1-8-0 due for three months under the bye-laws of the Society. The following is a classification of the members according to professions :—

1. Government officials	49
2. Merchants	44
3. Agriculturists including shanbhogs and patels ...	30
4. Government peons and Police constables	27
5. Goldsmiths	7
6. Contractors	4
7. Other professions	15
Total ...	176

During the three months under report the Society issued loans to the extent of Rs. 1,452-8-0 and recovered Rs. 275-8-0. The instalment loans which are issued for a period of ten months and on which a profit of Rs. 5 per cent is recovered in advance, are the most in favour among

the members of the Society. The following are the details of issues and recoveries for the past three months :—

—	Issues	Recoveries	Balance due
	Rs. a. p	Rs. a. p.	Rs. a. p.
1. Short loans ...	242 8 0	188 8 0	54 0 0
2. Long loans ...	10 0 0	Nil.	10 0 0
3 Instalment loans	1,200 0 0	87 0 0	1,113 0 0
Total ..	1,452 8 0	275 8 0	1,117 0 0

The small amount issued under long loans (only one loan of Rs. 10 has been issued so far) is explained by the Committee as due to the heavy interest of 12 per cent per annum originally prescribed for such loans under the subsidiary rules which the Committee have sought to change to 9 per cent per annum by a resolution of the meeting of the Committee held early in November 1911. It would appear that the local sowcars lend pretty freely at that rate. The resolution of the Committee is pending sanction with the Registrar, and I take this opportunity to recommend that the proposal of the Committee to alter the rate of interest on long loans from 12 to 9 per cent per annum may be sanctioned.

The Society has, during the first three months of its work, attracted deposits to the extent of Rs. 260, but the amount is made up of only four accounts and the deposits are all fixed for one month. The attention of the Committee is invited to the utility of attracting longer-term deposits.

It is satisfactory to note that the Society has usefully invested all the amounts collected and that the repayments towards loans and payments towards share capital are in almost all cases very prompt. The books of the Society have been maintained in the prescribed form and posted up to date.

The interest collected during the three months amounted to Rs. 58-9-5 and the receipts on account of penalties for payments made after due dates came to Re. 0-12-4. The expenditure of the Society during the same period amounted to Rs. 61-8-3; and on an examination of the details with vouchers, I was satisfied that almost all this expenditure was for necessary purposes such as the purchase of registers, printing charges, purchase of a lamp and writing materials.

Statement A appended is the receipt and expenditure account of the Society and Statement B gives the details of receipts and issues for each of the past three months. In the course of audit of the accounts of the Society, it was found that in three cases a sum of Re. 0-2-5 which was not due was recovered, owing to an arithmetical miscalculation. These are noted in Statement C and the Committee is requested to refund the amount to the members concerned after obtaining proper vouchers therefor. The amounts should be debited in the cash book, and corresponding entries recorded in the ledgers of the respective members. The omissions in noting the ledger folios in the cash book, referred to in the audit objection Statement C, should now be supplied, and in future this should be done simultaneously with the posting of the cash book.

On the whole the working of the Society reflects very great credit on the Committee and especially the Vice-President and the Secretary of the Society. The former, Mr. M. S. Narayana Rao, the Taluk Sheristadar of the place, is giving his special attention to the collection work, while the latter, the Sub-Registrar of Chintamani, Mr. M. Raghavendra Rao, keeps the accounts and performs the other functions of the Secretary. The local audit of the accounts of the Society for September 1911 was done by the Treasurer of the Society, a much respected wealthy merchant of the place.

I examined the cash balance of the Society as it stood at the close of the 29th November 1911, by actual counting. The Treasurer produced Rs. 140, and the Secretary Rs. 16-11-6. With Rs. 25 in deposit in the Government Savings Bank the total amount, namely, Rs. 181-11-6, tallied with the closing book balance on the 29th November 1911. The Secretary has recently applied to the Registrar for permission to open an account in the Post Office Savings Bank.

1. Ledger folios are not noted in the Cash Book. The omissions to be supplied now and in future entries to be made simultaneously with the writing of the Cash Book.

2. On 27th October 1911, Lawyer Srinivasa Rao returned his short loan. As the due date was 27th October 1911 no overdue interest was recoverable. The penalty of Re. 0-0-9 recovered should be refunded to him.

3. On 1st November 1911 Shekdar Shama Rao paid his share instalment due for October and November 1911. It was only the October instalment that was overdue and hence out of Re. 0-0-4 penalty recovered from him Re. 0-0-2 should be refunded.

4. On 2nd November 1911 Mr. A. Venkatachalaiya, Head Master, paid Rs. 18 on account of short loan of Rs. 18 borrowed on 9th October 1911 for 24 days. No penalty due as he paid in time. The sum of Re. 0-1-6 collected from him on account of penalty should be refunded.

I. Read and confirmed the Proceedings of the last meeting of the Board held on 20th September 1911.

II. Read and passed the accounts of receipts and expenditure for the months—February to June 1911, audited by the Comptroller.

III. Read General and Revenue Secretary's docket No. 4040—L. B. 50-11-3, dated 27th November 1911, enquiring whether sanction of Government was obtained for the execution of the non-budgetted work, *viz.*, improving the well at Ittikadibbanahalli and (2) vernacular correspondence ending with the Maddagiri Taluk Amildar's report No. 153, dated 15th December 1911.

Resolution.—As it was represented both by the Amildar of Maddagiri and the Sub-Divisional Officer, Maddagiri Sub-Division, that the villagers were in urgent need of drinking water owing to the insufficient supply of water from a solitary

well that is in the village, the estimate for Rs. 160 for the well work in reference was sanctioned, in anticipation of Government sanction by reappropriating the sum of Rs. 164 allotted for the repairs of musafirkhanas in the taluk. In these circumstances, sanction accorded to the execution of the well work referred to may be kindly approved of by Government.

IV. Read Government Proceedings No. 4345-6—L. B. 74-11-9, dated 13th December 1911, sanctioning, subject to the approval of the Board, the execution of certain well works out of Local Funds General grant.

Resolution.—The execution of the works referred to is approved.

V. Read Senior Surgeon's docket No. 1950-57, dated 15th November 1911, requesting to intimate the amounts that the Local Boards concerned agree to place at the disposal of the Public Works Department for the construction of quarters for the Hospital Assistants and midwives out of the sanctioned provisions therefor in the current year's District Fund and Municipal budgets.

2. Tumkur Division Executive Engineer's letter No. 421, dated 23rd November 1911, stating that the Superintending Engineer has sanctioned an estimate for Rs. 4,441 for constructing quarters for Hospital Assistant and midwife at Pavagada, and requesting that the sum of Rs. 950, being the Municipal quota therefor, may be arranged to be paid; and

3. Senior Surgeon's docket No. 2264, dated 4th December 1911, addressed to the Tumkur Division Executive Engineer returning countersigned a supplemental estimate for Rs. 408 being the amount of compensation payable for the land required for constructing Hospital Assistant's and midwife's quarters at Pavagada.

Resolution.—A sum of Rs. 2,000 being the District Fund quota of contribution towards the construction of quarters for the Hospital Assistants and midwives at Pavagada and Huliyar, provided in the current year's District Fund budget as per Executive Engineer's requisition is sanctioned by Government. From the communications read above, it is seen that during the current year the construction of quarters for the said Medical subordinates is proposed to be undertaken only at Pavagada. As the Municipality of Pavagada is now working with a minus balance, it is unable to bear its quota if the proposed construction of quarters at Pavagada is taken up first. As per Government Proceedings No. 7041-53—L. F. 117-93, dated 16th October 1893, the straitened circumstances of the Pavagada Municipality will have to be brought to the notice of Government and their orders will have to be taken to meet the Municipal quota from the Provincial Funds, as the District Board with their present finance find it difficult to provide funds for urgent and necessary public works that have to be carried out in the district. The estimate for the quarters at Pavagada as prepared by the Executive Engineer and sanctioned by the Superintending Engineer amounts to Rs. 4,441, whereas the construction of quarters as per type plans referred to in General and Revenue Secretary's letter No. 1327-34—Med. 18-07-28, dated 6th August 1908, was estimated to cost of Rs. 3,000, (Rs. 2,000 for Hospital Assistant's quarters and 1,000 for that of midwife's). The reasons for exceeding the above fixed cost towards the quarters in question, have not been explained. The total amount that is proposed to be spent during the year on the construction of quarters at Pavagada, as per communications read above amount to Rs. 3,408. The District Fund quota towards them will be Rs. 1,136. If the Public Works Department are confident that they will utilize all the proposed sum of Rs. 3,408, the Board are agreeable to pay their quota out of the provision of Rs. 2,000, sanctioned in the current year's District Fund budget for the construction of quarters for the Medical subordinates.

VI. Read correspondence ending with Tumkur Division Executive Engineer's letter No. 434, dated 30th November 1911, *anent* the repairs to the tunnel of right sluice channel of Nonavinakere tank.

Resolution—If funds can be found by reappropriation out of the sanctioned grants under A. P. W., the proposed work may be done.

VII. Read Tumkur Division Executive Engineer's letter No. 418, dated 21st November 1911, forwarding a reappropriation statement providing funds for certain non-budgetted works out of the grants sanctioned under A. P. W.

Resolution.—The proposed reappropriation is approved and sanction of Government may be applied therefor.

VIII. Read Executive Engineer's letter No. 370, dated 28th October 1911, furnishing opinion on certain subjects brought forward by the Dasara Representative Assembly Members at their preliminary meeting held in August 1911 and referred to the Board.

Resolved that the Executive Engineer be requested to furnish estimates for laying out the two roads named below :—

Resolution.—The proposed reappropriation is not feasible. The savings pointed out may be spent on well work. The musafirkhana referred to may be repaired at a cost of Rs. 200 as sanctioned in the budget.

XV. Read Maddagiri Sub-Divisional Officer's yadi No. 48, dated 25th November 1911, soliciting sanction to the construction of a tunnel in Kodigenahalli Union at a cost of Rs. 95 and proposing that the same may be met out of Rs. 100 provided under "other charges" against that Union in the current year's budget.

Resolution.—Approved.

Read Maddagiri Sub-Divisional Officer's yadi No. 25, dated 14th October 1911, soliciting sanction to the execution of repairs to the cart-track leading to Midagesi village from the Tumkur-Bellary road and proposing that the cost thereof, *viz.*, Rs. 80, will be made available by reappropriating the sum of Rs. 80 provided under "other charges" against the Midagesi Union in the current year's budget.

Resolution.—It is very essential that this cart-track should be kept in order, as it is constantly used by the pilgrims and by the merchant classes visiting Devarayadurga. An annual allotment of Rs. 30 for its repairs may therefore be made in the District Fund budget estimates every year. As the cart-track has to be put in order before the ensuing car festival and the jatra which are to come off at Devarayadurga in March next, a sum of Rs. 30 may be made available for its repairs during the current year out of the sanctioned allotments for works in the Tumkur Taluk.

The District Fund quota of cost of the work amounts to Rs 2,605 but as Rs. 1,500 only has been provided for the work in the District Fund budget for 1911-12, this should be the limit of outlay during the current year.

Resolution.—Resolved that as the certificates of qualifications of the three other applicants for the post of Vaidya are not now before the Board, the same may be called for, as well as applications of any others who have undergone the prescribed course at the Ayurvedic College at Mysore.

XVIII. Read this office memo dated 25th June 1911, ordering the appointment of one K. Narasimhachar, Assistant Master, Anglo-Vernacular School, Gudibanda, and a Mysore stipendiary student recommended by the Sanitary Commissioner, as a Sanitary Inspector of Channarayapatna Taluk from 1st July 1911. (*Vide* resolution No. XIX of the District Board meeting held on 20th February 1911.) K. Narasimhachar joined duty at Channarayapatna Taluk on the 15th July 1911.

Resolution.—Recorded.

XIX. (*a*) Read correspondence ending with docket No. 805, dated 5th November 1911, from the Executive Engineer, Hassan Division, claiming exemption from payment of tolls on the carts carrying road materials as payments are sometimes made for such materials as soon

as collected and stacked at the quarries which are therefore the property of Government as per para 5 of the late Chief Commissioner's Notification No. 274, dated 4th November 1876.

(*b*) Read Executive Engineer's docket No. 857, dated 18th November 1911, requesting exemption from levy of tolls on the materials carted from the left bank of the Yagachi river near Belur to Sri Channakesavaswami temple, and requesting permission to authorise the Overseer at Belur to grant the certificates in accordance with Chief Commissioner's Notification.

Resolution.—Resolved that, in accordance with para 5 of the late Chief Commissioner's Notification, such road materials which are *bona fide* the property of Government or of the District Board may be passed through the toll gates free of toll provided the same are covered by a certificate signed by the Executive Engineer and needful instructions will be issued to all toll contractors through the Amildars of the Taluks concerned.

XX. Read Arkalgud Taluk Amildar's report No. 382, dated 26th September 1911, forwarding copy of resolution of the Taluk Board in the matter of reducing the number of sweepers from 4 to 2 in each of the Unions of Kerlapur and Basavapatna, with a view to increase their pay from Rs. 5 to 7 per mensem on the ground the sweepers are not willing to undertake the work owing to the low pay sanctioned therefor, and requesting that this proposal might be sanctioned as it will not only facilitate work but also will bring in a savings of Rs. 6 per mensem to the District Board in each of the said Unions.

Resolution.—Resolved that in the circumstances mentioned it is desirable that the pay of two of the sweepers in each of the Unions of Basavapatna and Kerlapur in Arkalgud Taluk be raised from Rs. 5 to Rs. 7 and that the pay of a 3rd sweeper in each of these Unions be raised from Rs. 5 to Rs. 6 per mensem, the total cost being the same, *viz.*, Rs. 20, per mensem, and that Government sanction be obtained to this change in the number of sweepers and the rate of their pay.

XXI. Read Hole-Narsipur Taluk Amildar's report No. 435, dated 13th July 1911, and subsequent No. 26, dated 21st September 1911, submitting for sanction a revised estimate amounting to Rs. 499 (original estimate Rs. 400) for deepening the well at Doddakadnur to a depth of 60 feet with a view to have a plentiful supply of water in the well.

Resolution.—Resolved that the revised estimate for Rs. 499 be sanctioned in the circumstances reported, the additional cost of Rs. 99 being met out of Rs. 400 provided for revetting wells at Doddakadnur and Gangur in the budget of Local Funds General for 1911-12.

XXII. Read Hassan Taluk Amildar's report No. 375, dated 20th September 1911, forwarding copy of resolution of the Taluk Board in the matter of abandoning the well work at Muthathi, as the work could not be executed owing to the well having collapsed.

Resolution.—Resolved that in the circumstances reported sanction to the estimate for Rs. 203 be cancelled and the amount utilised towards meeting the cost of other incomplete works of the previous year.

XXIII. Read resolution No. XIV of the District Board meeting dated the 26th September 1911, regarding the cattle show to be held at Hassan on the 4th and 5th January 1912. As an amount of Rs. 120 was sanctioned by Government for the Ramanathpur Cattle Show, the balance available under this head is only Rs. 80 which will be quite insufficient for prizes and other expenses of the Hassan Cattle Show. Further allotment is therefore necessary.

Resolution—Resolved that, as subscriptions and fees on cattle admitted to the show and on shops, etc., will amount to a considerable sum, and as the same will have to be credited to District Funds in due course as per Government Proceedings No. 7007-24—L. B. 189-09-3, dated 22nd February 1911, a sum of Rs. 450 is allotted for Hassan Cattle Show including the balance of Rs. 80 available under the head "Cattle shows," the balance of Rs. 370 being met out of Rs. 300 still available under "X Miscellaneous, (16) Reserve for unforeseen expenditure" and Rs. 100 under "(3) Destruction of cover afforded to snakes" under the same major head of the budget for 1911-12. Further resolved that a cheque for Rs. 450 be issued in favour of the Honorary Secretary of the Hassan Cattle Show Committee.

XXIV. Read Belur Taluk Amildar's report No. 107, dated 25th September 1911, forwarding explanation of the District Board member Mr. Mohamed Habibulla Sab of Arehalli for his absence from three consecutive meetings of the Board, and recommending that one Ananthakesavachar, shanbhog of Utholalu firkha, may be appointed in place of Mr. Mohamed Habibulla Sab who has always to attend to much private work and who is still in indifferent state of health.

Resolution.—Resolved that, as Mr. Mohamed Habibulla Sab's absence from three consecutive meetings of the District Board prior to the present one is explained by him as due to illness, Government be moved to condone the same. Further resolved that as elections and nominations have now to take place for members of the District Board to be reconstituted owing to efflux of time, the Amildar's present recommendation need not be considered.

XXV. Read Government Proceedings No. R. 1896-906—L. R. 137-11-3, dated 4th October 1911, sanctioning the budget estimates under the Irrigation Cess Fund for the year 1911-12.

Resolution.—Resolved that sanction of Government be obtained to this non-budgetted work which is urgently necessary, the cost being met from Rs. 40 provided for repairing roads at Marur Union under "B. Public Works—II Repairs" against Arkalgud Taluk in the District Fund budget for 1911-12, the latter mentioned work being deferred as not urgent.

XXVIII. Read telegram dated 4th December 1911, from Mr. W. L. Crawford of Manjarabad Taluk and also communication dated 2nd idem from Mr. N. D. Venkataramaiya of Hole-Narsipur Taluk, District Board Members, expressing their inability to attend the meeting.

N. B.—All the Amildars, except those of Davangere and Challakere and Deputy Amildar of Harihar, were present.

I. Read and recorded the proceedings of the meeting of the Board, held on 14th September 1911.

II. Read docket No. 1924—L. B. 74-11-3, dated 9th September 1911, from the General and Revenue Secretary, calling for the opinion of the Board in the matter of allotting a sum of Rs. 1,000 from the Local Funds General Grant of Rs. 1,500 made to this district for the current official year for the improvement of the Hosdurga town.

Resolution.—That as the Municipality is poor and has no funds even for lighting, Government be strongly recommended to sanction the amount.

It was further proposed and carried that the post of Sanitary Inspector may itself be abolished for the taluk, as there is not sufficient work for him.

III. Read yadi No. 178, dated 25th October 1911, from the Assistant Commissioner, Chitaldrug Sub-Division, regarding the opening of a cattle pound in Kurubarmardikere village, Chitaldrug Taluk.

Resolution.—Sanctioned.

IV. Read letter No. 1054-60, dated 17th August 1911, from the President, District Board, Mysore, regarding the contribution required for the relief of those persons whose property was destroyed by the high floods in the Cauvery river.

Resolution.—As the cost was incurred in connection with Excellency the Governor's visit, this is a proper charge on provincial revenues.

VII. Read Government Order No. 10760-70—L. B. 130-10, dated 29th June 1911, regarding the maintaining of a higher minimum working balance with a view to have, at the disposal of the Board, sufficient funds to meet all expenses of a normal nature.

Resolution.—As the Government do not pay interest for plus balances, the Board consider it unfair that they should be charged interest for minus balances; besides, there has been no minus balance in this district for the last three years and the minimum working balance cannot conveniently be raised.

VIII. Read Government Order No. 224-30—Ry. F. 124-11-2, dated 13th November 1911, passing orders on a programme of railway construction in Mysore.

Resolution.—That the Board's thanks be conveyed to Government for having readily sanctioned the opening of the line; it is believed that the funds for construction will be lent by Government on the guarantee of the District Board.

(2) *Resolved* also that this meeting accepts the principle of the 3-pie cess and requests that it may be levied from 1912-13.

VIII. (*b*) Read Hiriyur Taluk Amildar's report No. 734, dated 19th December 1911, stating that the taluk is prepared to pay one anna cess in the rupee for extending the railway up to Hiriyur.

Resolved that the proposal be submitted to Government for favorable orders and that the whole line from Chikjajur to Hiriyur may be surveyed.

Resolved also that the Taluk Board of Chitaldrug be asked whether the villages in Chitaldrug that will be benefited by the railway, will pay cess at one anna.

Mr. Subba Rao, proposed that one anna cess may be levied throughout the district, but an amendment that the matter be referred to the next meeting after the views of the Taluk Board are obtained was passed. Mr. Subba Rao promised to submit a note for the information of the Taluk Board.

IX. Read Government Order No. 631-80—Med. 2-08-05, dated 22nd July 1911, directing that the charges incurred in connection with the anti-rabic treatment of indigent persons should be debited to District Board.

XIII. Read report No. 78, dated 25th September 1911, from the Amildar of Hiriyur proposing the abolition of Maradihalli Union as the villagers pray for the same.

Resolution.—That it is not advisable to abolish the Union, but that it is desirable that the Union Funds should be kept separate and spent on the Unions.

XIV. Read Water-supply and Stores Division Executive Engineer's docket No. 2329, dated 15th December 1911, *re* the maintenance charges of Harihar water works for 1911-12.

Resolution.—The Board are not prepared to sanction any additional expenditure for the Harihar Water-supply.

XV. Read petition dated 15th November 1911, from Mr. M. B. Krishna Rao, Pleader, requesting that he may be supplied with a breeding bull from Amrut Mahal Department at half price and also Government Order No. 8368-77—L. B. 303-07-1, dated 22nd September 1908, on the subject.

Resolution.—In this district, the number supplied is too small and it is proposed that the number may be increased to 20.

XVI. Read General and Revenue Secretary's docket No. 2691—San. 109-10-5, dated 16th October 1911, regarding the services of the Sanitary Board.

Resolution.—Approved.

XX. Read letter No 69-70, dated 6th September 1911, from the Secretary, Agricultural Committee of the Mysore Economic Conference, requesting to be favoured with the opinions of the District Board in the matter of extirpation of jola grasshopper.

Resolution.—That the suggestions proposed by Doctor Chambers, are too sufficient and that bagging experiments carried on by Doctor Coleman are being investigated by raiyats; so the bagging system should be explained in all villages where there is the pest. There is the noteworthy fact that in certain areas like Harihar, the pest appears to have completely disappeared on account of climatic conditions.

XXI. Proposal from Mr. Srinivasa Rao that necessary arrangements may kindly be made for holding a cattle show at Harihar on the occasion of Sangameswara jatra and funds be sanctioned from District Funds.

Resolved that a cattle show be held on the 10th March 1912 and following days and that a pony show be also held along with it and that a sum of Rs. 150 be set apart for it.

XXII. Proposed by Pandrahalli Sowcar and approved of, that a Native Vaidyasala be established at Hireguntanur.

The question of establishment of the dispensary may be placed before the District Board at its next meeting.

(6) The construction of a musafirkhana at Anavatti may be deferred till funds are available.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings No. G. 622-32—G. 6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the English or the Kanarese portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.* When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

NOTICE.

Dated 12th January 1912.

Sealed tenders for the supply of *good and cleaned kulthi*, required for the ponies and harness horses of the Transport Corps and Government Stables at Bangalore and Mysore, will be received up to 2 P.M. on Saturday, the 10th February 1912, in the office of the Military Secretary to His Highness the Maharaja of Mysore, Bangalore. The contract for the supply of grain for Transport Corps and Government Stables will be from 1st March 1912 to end of February 1913.

Conditions.

1. One tender for all the stations or separate tenders for each station may be given at the option of the tenderer but the tenderer should show clearly the rate at which the grain

(kulthi) can be supplied at Bangalore and Mysore, respectively, throughout the year. The supply of kulthi to A Division of the Transport Corps and harness horses should be made at the Old Sowar Lines at Bangalore, and for the other four Divisions of the Corps near Munireddipalyam, and the gram for the horses at Mysore should be supplied at the Government House Stables.

2. Every tender should be accompanied by currency notes for Rs. 500 which will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the arrangement for the due fulfilment of the contract or to make the deposit as specified in para 3. If the tender is not accepted, the amount will be refunded.

3. The successful tenderer will be required to execute an agreement for the fulfilment of the contract, and to deposit Rs. 2,000 for Bangalore and Mysore or Rs. 1,500 for Bangalore alone and Rs. 500 for Mysore alone. The execution of the agreement and the production of the deposit amount shall be completed within fifteen days from the date of the declaration of the acceptance of any tender.

4. The contractor at any station will, if necessary, be required to supply the grain at the contract rate for the horses, ponies and mules of the Corps and Stables leaving that station for manœuvres or other duty, in sufficient quantity to last until their return to headquarters.

5. The contractor will supply the quantities of kulthi within one month from the date of taking contract or indented for daily as detailed above at option of Officer Commanding Corps at Bangalore and Mysore and obtain receipts on indents from the Commandant of the Imperial Service Transport Corps and Superintendent, Government Stables, respectively.

6. In the case of daily supply the contractor will present bills once a month for supplies made by him during the month to the Commandant and Superintendent, Government Stables, who will check and submit them to the Military Secretary for payment.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit credited to Government.

8. The Military Secretary reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. The probable quantity of grain required at Bangalore is as below:—

For Transport ponies and harness horses, 1,120 seers gram; and at Mysore—

Gram 100 seers per day.

Note.—The above rate of proportion may be altered and it is understood that should any necessity arise for feeding the animals of any Corps on full ration of any one of the two grains named, the contractors will be prepared to supply the required quantity of the grain.

It is further noted that as Government are contemplating the substitution of bullocks for ponies, the Transport Corps is in no way bound to take the full quantity above noted. These amounts are merely probable requirements.

R. G. JONES, LT.-COL., I. A.,
Military Secretary to His Highness the Maharaja of Mysore.

And every person bringing dutiable goods within the City shall report the fact at the first of such posts on the route by which it comes. All officers of the Octroi Department not below the rank of Mutsaddi are authorized to inspect the contents of any conveyance or package under Section 76 of the Municipal Regulation.

5. A table showing the octroi leviable shall be open to the inspection of any person at the Municipal Office and copies shall be supplied without any charge to any person requiring the same. Such tables shall also be affixed in a conspicuous place at every post or office at which octroi is levied.

6. When the goods have been examined at the octroi post, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Post Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Octroi Koti accompanied by a peon, provided that, if the duty to which the goods are

liable does not exceed eight annas, the Octroi Post Mutsaddi may, unless the importer declares that he intends to re-export the goods, receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received. Provided also that in the case of goods imported by railway, the Inspector or other officer in charge of the octroi post at the City Railway Station may, in the same manner, receive duty not exceeding three rupees.

7. When goods accompanied by a pass as aforesaid are brought to the Octroi Koti, they may be unloaded and weighed or counted by the officer in charge of the Octroi Koti. Upon ascertainment of the amount of octroi payable on the goods, the importer shall either pay the amount due and receive a permit for the removal of the goods or shall deposit the same in the Bonded Warehouse. When the duty is paid as above, a permit shall be granted by the officer in charge of the Octroi Koti for the removal of the goods showing the quantity or weight of the goods, the amount paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be filed in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass and subjecting the goods to the escort of an octroi subordinate.

8. With a view to the appraisement of the value of the goods, when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer in charge of the Octroi Koti. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid.

13. A receipt in the form appended (Schedule No. III) shall be given by the officer in charge of the Octroi Koti for all goods deposited in the Bonded Warehouse, and a register of all such goods shall be maintained. It is the duty of a depositor to obtain a receipt for articles deposited by him and the Octroi Department is not responsible for any goods left at the premises and not covered by a receipt.

14. The receipt given by the Octroi Department for depositing goods should be returned before taking delivery of the article to which it refers. Otherwise the officer in charge of the Octroi Koti may refuse to deliver the article.

15. If the depositor does not himself take delivery of the articles deposited in the Octroi Office, he must endorse on the receipt a request for delivery to the person to whom he wishes it to be made and, if the receipt is not produced, the delivery of the goods may, at the discretion of the officer in charge of the Octroi Office, be withheld until the person entitled in his opinion to receive the same has given an indemnity to the satisfaction of the officer in charge of the Octroi Koti.

16. Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer in charge of the Warehouse, or may, on paying full duty thereon, import such goods into the City covered by a permit, or may export such goods free covered by an export pass, subject to the escort of an octroi subordinate, provided that new packages covered by such pass, shall, if possible and before they are taken from the Warehouse, be stamped by the officer in charge so as to show that they are under Bond.

Provided also that no refund shall be granted of any sum less than one rupee.

25. Any person claiming refund under the above rule shall produce the goods to be exported at the Octroi Koti, together with the original receipt for octroi duty paid thereon and an application for refund prepared in triplicate in such form and showing such particulars as the President may from time to time prescribe.

31. If the goods are for export by rail, the octroi subordinate in charge of the station of exit shall retain the triplicate pass pending production of a railway receipt for the goods covered by the pass. Upon production of the railway receipt, if, after due enquiry, the said octroi subordinate is satisfied that the goods produced are covered by the pass and also by the railway receipt in question, he will then endorse on the duplicate and triplicate passes, respectively, the number and date of the railway receipt and will return the triplicate copy to the person in charge of the goods, but he will retain the duplicate pass subject to disposal in the prescribed course of business.

32. In all cases in which refund is claimed, the triplicate pass duly endorsed as provided by Bye-laws Nos. 30 and 31, respectively, must be produced at the Octroi Koti by the person seeking the refund, and if, after due check the officer in charge of the Octroi Koti is satisfied that a refund of octroi covered by such pass is duly payable, he shall, if the amount so payable does not exceed Rs. 20, forthwith pay the same to the person presenting the triplicate pass. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

And every person bringing dutiable goods within the City shall report the fact at the first of such posts on the route by which it comes. All officers of the Octroi Department not below the rank of Mutsaddi are authorized to inspect the contents of any conveyance or package under Section 76 of the Municipal Regulation.

5. A table showing the octroi leviable shall be open to the inspection of any person at the Municipal Office and copies shall be supplied without any charge to any person requiring the same. Such tables shall also be affixed in a conspicuous place at every post or office at which octroi is levied.

6. When the goods have been examined at the octroi post, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Post Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Octroi Koti accompanied by a peon, provided that, if the duty to which the goods are

liable does not exceed eight annas, the Octroi Post Mutsaddi may, unless the importer declares that he intends to re-export the goods, receive such duty and give to the importer a permit showing the nature and quantity of the goods and the duty received. Provided also that in the case of goods imported by railway, the Inspector or other officer in charge of the octroi post at the City Railway Station may, in the same manner, receive duty not exceeding three rupees.

7. When goods accompanied by a pass as aforesaid are brought to the Octroi Koti, they may be unloaded and weighed or counted by the officer in charge of the Octroi Koti. Upon ascertainment of the amount of octroi payable on the goods, the importer shall either pay the amount due and receive a permit for the removal of the goods or shall deposit the same in the Bonded Warehouse. When the duty is paid as above, a permit shall be granted by the officer in charge of the Octroi Koti for the removal of the goods showing the quantity or weight of the goods, the amount paid in respect thereof and the date of payment. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid.

16. Any person who has deposited goods in the Bonded Warehouse may break bulk or change the packing thereof on application to the officer in charge of the Warehouse, or may, on paying full duty thereon, import such goods into the City covered by a permit, or may export such goods free covered by an export pass, subject to the escort of an octroi subordinate, provided that new packages covered by such pass, shall, if possible and before they are taken from the Warehouse, be stamped by the officer in charge so as to show that they are under Bond.

19. When goods stored by a wholesale dealer in the Bonded Warehouse under the above rules are issued on payment of duty, such allowance may be made on the original weight on account of materials used in the packing or on account of reduction of weight owing to dryage or wastage as may from time to time be fixed by the President.

All other goods remaining uncleared or unclaimed for a longer period than six months shall be sold in like manner, provided that, before selling such goods, notice of the fact shall be posted for seven days at the Bonded Warehouse and at the Municipal Office and provided that the goods shall be sold earlier when the storage fees are likely to exceed their value.

22. The Council shall not be responsible for any damage that may be caused to goods deposited in the Bonded Warehouse, while such goods are being passed into or out of the Warehouse or while they remain therein unless such damage is proved to have been caused by the wilful neglect of the Warehouse-keeper or other person charged with the safe custody of the goods.

23. Any person may, with the sanction of the President, be permitted to use any place as a Bonded Warehouse on payment of the cost of such establishment and subject to such conditions as may in each case be fixed by the President.

24. On all articles on which octroi duty has been paid and which are subsequently exported beyond octroi limits, refunds shall, subject to the following rules, be granted at the rates originally charged at the time of import. Provided that no refund shall, except in the case of timber imported and re-exported in log, be granted unless such goods are exported within six months from the date on which octroi was levied. Provided also that no refund shall be granted of any sum less than one rupee.

Otherwise he shall retain both the duplicate and triplicate passes and shall report the circumstances forthwith for the orders of his immediate superior. If the goods are being exported under refund pass, he shall in either case allow the consignment to proceed. If the goods are under a free export pass and do not appear to agree with the particulars given therein, they shall be detained until the orders of his superior are received.

31. If the goods are for export by rail, the octroi subordinate in charge of the station of exit shall retain the triplicate pass pending production of a railway receipt for the goods covered by the pass. Upon production of the railway receipt, if, after due enquiry, the said octroi subordinate is satisfied that the goods produced are covered by the pass and also by the railway receipt in question, he will then endorse on the duplicate and triplicate passes, respectively, the number and date of the railway receipt and will return the triplicate copy to the person in charge of the goods, but he will retain the duplicate pass subject to disposal in the prescribed course of business.

32. In all cases in which refund is claimed, the triplicate pass duly endorsed as provided by Bye-laws Nos. 30 and 31, respectively, must be produced at the Octroi Koti by the person seeking the refund, and if, after due check the officer in charge of the Octroi Koti is satisfied that a refund of octroi covered by such pass is duly payable, he shall, if the amount so payable does not exceed Rs. 20, forthwith pay the same to the person presenting the triplicate pass. B. T. KESAVAIENGAR,
For *Deputy Commissioner.*

EXCISE DEPARTMENT.

Notification No. 6660, *dated Bangalore,* 22*nd*—23*rd February* 1912.

It is hereby notified for the information of the public that red paint will be used for marking all toddy-yielding trees licensed to be tapped in the Mysore State during the official year 1912-13.

Notification No. 7245, *dated* 11*th March* 1912.

NOTICE OF SALE OF FOREIGN LIQUOR LICENSES FOR THE YEAR 1912-13.

Notice is hereby given that the privilege of selling Foreign Liquor under the licenses mentioned in the subjoined schedule during the year beginning 1st July 1912 and ending 30th June 1913 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the schedule, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit of Rs. 20 must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale.

3. The shops will be put up to auction at an upset price of Rs. 150 per annum.

4. Every shop should, as a rule, be sold independently.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid, which he may consider to be purely speculative, after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop resold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's rent in addition to the deposit made under condition 2, unless the initial deposit equals or exceeds two months' rent.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on

* Deposits may be in cash or other approved security.

his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The licenses issued under the above clauses will be subject to the following conditions :—

(1) The limits within which sales under any license may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

(2) Sales must be conducted in a suitable building.

(3) Two or more foreign liquor licenses can be held by one person. The possession upon any licensed premises of any liquor except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited.

(4) A sign-board must be affixed to the front of each shop showing the nature and number of the license under which sales are conducted there and the name of the licensee. These particulars must be legibly painted in the local vernacular and in English. The license must be hung up in a conspicuous place within.

(5) All liquor sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose. All officers authorized to inspect shops are authorized to detain any liquor found unfit for consumption or use, or which they may believe to have been tampered with, and all Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(6) The sale or transport of liquor, by persons below the age of 16 or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops for the sale of the same are prohibited. The Deputy Commissioner may, when necessary, call for the names of all persons employed or proposed to be employed in shops and forbid the sale of liquor, by any of whom he may disapprove.

(7) No shop shall be opened before sunrise or kept open after 9 P.M.* except under special authority.

(8) No drunkenness, disorder or gaming shall be permitted in shops. Entertainments of any kind in shops are also strictly forbidden.

* 9-30 P.M. in the Bangalore City.

(9) No robbers or thieves or disorderly or riotous persons shall be harboured in shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

(10) No person shall be harboured in any shop during the night.

(11) Shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native Soldiers is passing or is encamped in the vicinity, or in times of religious excitement or disturbance. Every shop-keeper shall, on his own motion, close his shop when there is riot or disturbance in the neighbourhood.

(12) The Deputy Commissioners may order the transfer of shops from one locality to another, provided the distance is not more than two hundred yards.

(13) The right is reserved to the Deputy Commissioner to grant "Occasional Licenses" for the sale of liquor, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion, unless he decides to sell the same by public auction.

(14) No liquor shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the division (or Independent Brigade) or the officer commanding the cantonment or camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) whilst on duty, to any—

(1) camp-follower, member of the Police force, or Officer of the Excise Department,

(2) servant of a Railway Company; or

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police,

(2) child under sixteen years of age,

(3) insane person, or

(4) person known or believed to be intoxicated.

(15) No privilege of vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(16) No holder of any license will be allowed, without special permission from the Excise Commissioner, to possess or continue to possess any interest direct or indirect in any abkari or opium license in any districts of the Madras or Bombay Presidency under the British Government, or any other Foreign State or Territory or Civil and Military Station, Bangalore.

(17) Shops must be kept open unless their temporary or permanent closure is authorized by the Deputy Commissioner, and such supply of liquor as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by dates to be fixed by the Deputy Commissioner shall be liable to be resold at the risk of the licensees.

(18) No liquor shall be sold either below or above such minimum or maximum prices as may be fixed for sale of the same in accordance with the law for the time being in force.

(19) No liquor in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

(20) True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books. The account books may be obtained from local Excise officers on payment of cost price. The permit books can be obtained at all Range offices on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. and Taluk Boards regarding the proposal to equalise the pay of the sweepers in the Kadagathur and Kodigenahalli Unions.

Resolution.—The estimates as revised may be submitted to Government for sanction. As the present mileage allotment of Rs. 50 for the annual repairs of the cart-track from Tiptur to Kodagihalli was stated to be quite inadequate for the satisfactory maintenance of the cart-track, the Board, in their meeting held on the 23rd September 1910, resolved that the mileage allotment may be raised to Rs. 75. But for want of funds the provision therefor was not made in the current year's budget estimates. As it has been urged by the Executive Engineer that the mileage allotment of the cart-track may be raised to Rs. 75, a provision may be made therefor in the budget estimates for 1912-13 in anticipation of sanction of Government. The District Medical and Sanitary Officer's proposal to raise the pay of the water women to Rs. 3 involves an additional cost of Rs. 108 per annum and the same may be similarly provided in the next year's budget.

EXCISE DEPARTMENT.

Notification No. 7245, *dated* 11*th March* 1912.

NOTICE OF SALE OF FOREIGN LIQUOR LICENSES FOR THE YEAR 1912-13.

Notice is hereby given that the privilege of selling Foreign Liquor under the licenses mentioned in the subjoined schedule during the year beginning 1st July 1912 and ending 30th June 1913 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the schedule, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit of Rs. 20 must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale.

3. The shops will be put up to auction at an upset price of Rs. 150 per annum.

4. Every shop should, as a rule, be sold independently.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid, which he may consider to be purely speculative, after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop resold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's rent in addition to the deposit made under condition 2, unless the initial deposit equals or exceeds two months' rent.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on

* Deposits may be in cash or other approved security.

his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The licenses issued under the above clauses will be subject to the following conditions:—

(1) The limits within which sales under any license may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

(2) Sales must be conducted in a suitable building.

(3) Two or more foreign liquor licenses can be held by one person. The possession upon any licensed premises of any liquor except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited.

(4) A sign-board must be affixed to the front of each shop showing the nature and number of the license under which sales are conducted there and the name of the licensee. These particulars must be legibly painted in the local vernacular and in English. The license must be hung up in a conspicuous place within.

(5) All liquor sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose. All officers authorized to inspect shops are authorized to detain any liquor found unfit for consumption or use, or which they may believe to have been tampered with, and all Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(6) The sale or transport of liquor, by persons below the age of 16 or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops for the sale of the same are prohibited. The Deputy Commissioner may, when necessary, call for the names of all persons employed or proposed to be employed in shops and forbid the sale of liquor, by any of whom he may disapprove.

(7) No shop shall be opened before sunrise or kept open after 9 P.M. * except under special authority.

(8) No drunkenness, disorder or gaming shall be permitted in shops. Entertainments of any kind in shops are also strictly forbidden.

(9) No robbers or thieves or disorderly or riotous persons shall be harboured in shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

(10) No person shall be harboured in any shop during the night.

(11) Shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native Soldiers is passing or is encamped in the vicinity, or in times of religious excitement or disturbance. Every shop-keeper shall, on his own motion, close his shop when there is riot or disturbance in the neighbourhood.

(12) The Deputy Commissioners may order the transfer of shops from one locality to another, provided the distance is not more than two hundred yards.

(13) The right is reserved to the Deputy Commissioner to grant "Occasional Licenses" for the sale of liquor, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion, unless he decides to sell the same by public auction.

(14) No liquor shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the division (or Independent Brigade) or the officer commanding the cantonment or camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(3) insane person, or

(4) person known or believed to be intoxicated.

(15) No privilege of vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(16) No holder of any license will be allowed, without special permission from the Excise Commissioner, to possess or continue to possess any interest direct or indirect in any abkari or opium license in any districts of the Madras or Bombay Presidency under the British Government, or any other Foreign State or Territory or Civil and Military Station, Bangalore.

(17) Shops must be kept open unless their temporary or permanent closure is authorized by the Deputy Commissioner, and such supply of liquor as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by dates to be fixed by the Deputy Commissioner shall be liable to be resold at the risk of the licensees.

(18) No liquor shall be sold either below or above such minimum or maximum prices as may be fixed for sale of the same in accordance with the law for the time being in force.

(19) No liquor in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

(20) True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books. The account books may be obtained from local Excise officers on payment of cost price. The permit books can be obtained at all Range offices on production of receipts for the payment of the cost price into a Government Treasury. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Excise Department.

(21) Such returns and information as may be required by the Deputy Commissioner from time to time shall be furnished by holders of licenses.

(22) An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(23) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July.

(24) No remission or abatement of the rent shall be claimable on any account whatever.

(25) Any sum due by a licensee may be collected under the law for the recovery of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Deputy Commissioner.

(26) Power is further reserved to the Deputy Commissioner to suspend licenses in case of failure of payment of kists.

(27) In the event of suspension of a license for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of license to the new purchaser or otherwise disposed of at the Deputy Commissioner's discretion. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion allow sales to continue pending resale or other disposal of the privilege.

(28) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(29) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

Either (*a*) fine up to Rs. 50,

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed.

The rent for the whole lease shall become due at once when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

(30) Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the Excise Regulation or Opium Act, or of any offence under the Indian Penal Code which, in the Deputy Commissioner's opinion, renders him unfit to hold it. The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

(31) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor without the Deputy Commissioner's previous permission.

(32) Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

(33) With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case proportionate part of the fee paid will be refunded.

(34) All licensees shall be bound by any additional general rules that may be prescribed under the Excise laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

(35) The licensee shall be bound to take over any Foreign Liquor which may remain as stock in hand belonging to the outgoing licensees on 1st July 1912 in the shops, paying them such compensation for the same as may be fixed by the Excise Commissioner.

(36) The privilege extends only to the sale of Foreign Liquors of the strengths and brands mentioned in the license. No Foreign Spirits below 15° U. P. shall be sold under the license.

(37) All Foreign Liquors intended for sale under the license should be imported only after obtaining an import permit from the Deputy Commissioner for the purpose. Any person otherwise importing Foreign Liquors, commits an offence under Section (6) of the Mysore Excise Regulation and is punishable under Section 55.

(38) The licensee is prohibited from rectifying spirits by purifying, coloring or flavoring or mixing any material therewith.

(39) All receptacles containing superior country beer referred to in Government Notification No. Fl. 8292—S. R. 109-04-2, dated 7th June 1905, shall bear a label showing where it is manufactured.

(40) All liquor imported in bulk and bottled in British India, received or kept for sale must bear a printed label showing clearly the country of manufacture, the name of the bottler as entered in his license and the place of bottling.

(41) The privilege under the Retail "Off" licenses of Foreign Liquor extends to the sale of such liquor only in sealed receptacles in quantities not less than a pint of each kind at a time and not more than two gallons at a time. It will at all times be optional with the Deputy Commissioner to withdraw licenses of this description, if it should appear that the sale of liquor to persons who have not partaken of meals in the Refreshment Room is permitted to such an extent or so habitually that the Refreshment Room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licenses. The premises to be used for the sale of liquor under these licenses must be at least of the monthly rentable value of Rs. 25. No draught Beer or Porter of any kind shall be sold under these licenses

SALE OF ENGLISH DRAUGHT BEER TAVERN IN THE BOWRINGPET TALUK FOR THE YEAR 1912-13.

Notice No. 7379, *dated* 13*th March* 1912.

1. Notice is hereby given that the exclusive privilege of selling English Draught Beer or Porter in the tavern established in the Kolar Gold Fields for the year beginning with 1st July 1912 and ending with 30th June 1913 will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 100 per mensem. If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 25 per hogshead of Beer or Porter which will be sold in the tavern.

3. Each bidder at the auction shall deposit a sum of Rs. 100 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

4. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

5. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 200 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to the value of the tavern, and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale it will be binding on his heirs or assigns.

6. Resales effected under para 6 *supra* will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely,—

(1) The privilege conferred by the license extends to the sale of English Draught Beer or Porter brewed in England or on the Continent, approved by Government.

(2) The tavern shall be maintained in or close to the existing tavern as may be determined by the Deputy Commissioner.

(3) The amount payable for each month on account of the number of hogsheads of Beer or Porter sold, shall be paid into the Taluk Treasury in the first week of the following month, on the challan prescribed for the purpose. But if the tavern is sold on the rental system the khist of the month falls due on the 20th day of the month according to General Condition 27 applicable to all Excise and Opium Licenses published in Notification No. 7493, dated 18th March 1912. The security deposit shall be taken towards the amount due for the last two months of the period of the lease. Failing payment as above, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at the rate of one pie per rupee per mensem or part thereof under the rules in force for the collection of land revenue. No remission or abatement of the Government dues shall, on any account whatever, be claimable by the licensee.

(4) The licensee shall further pay a duty of two annas and one pie and a half for every gallon of English Draught Beer or Porter imported by him.

(5) The consignment of English Draught Beer or Porter purchased by the licensee, shall, on arrival, be inspected by the Amildar or an Excise Officer at the

Railway Station. The invoice covering the consignment shall be duplicated, the original being sent to the Amildar of the taluk, and the duplicate to the Excise Commissioner. On the duty at the above-mentioned rate being paid by the licensee on the prescribed challan, the Amildar shall allow the licensee to remove the consignment to his tavern upon a pass signed by the Amildar or other officer authorized on this behalf.

(6) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Beer or Porter, which forms shall be purchased from local Excise officers.

(7) The licensee shall be bound to take over any Beer or Porter which remained as stock in hand belonging to the out-going licensee on the 30th June 1912, in the existing tavern, paying to the latter such compensation for the same as may be fixed by the Excise Commissioner.

(8) This lease shall not be transferable by sale, gift, mortgage or otherwise without the previous sanction of the Excise Commissioner.

(9) The vendor shall equally with the license-holder be responsible in the penalties herein set forth for breach of any of the conditions of the license.

(10) He shall sell Beer or Porter of approved quality. It may be sold to be drunk on the premises up to one reputed quart bottle at a time and shall not be allowed to be taken out of the premises.

(11) He shall not sell or give Beer or Porter in any quantity whatever directly or indirectly to any European or non-commissioned officer or private or soldier, nor to any European or East Indian woman connected with or related to men of these classes, nor allow him, her, or them, to drink Beer or Porter in his premises or grounds; he shall not permit drunkenness or disorderly behaviour in his shop or premises, and shall not suffer any gambling whatsoever therein, and shall not knowingly permit prostitutes or persons of notoriously bad character to meet or remain therein; he shall not wilfully harbour or conceal therein soldiers or others knowing or having reason to believe such soldiers or others to be deserters; he shall give information of suspicious characters to the Magistrate or Police officer, and he shall not sell or give Beer or Porter to any Police officer, Railway servant, or Excise officer, whilst on duty, or to any insane person.

(12) He shall fix in a conspicuous place outside of his shop a board on which shall be legibly painted his name, vendor's name, the number of his shop, and the article he is licensed to deal in.

(13) He shall not receive any articles whatsoever in barter or pledge, and payment for Beer or Porter shall be made in ready money only at not less than one and a half rupee per imperial gallon and proportionately for fractions thereof.

(14) The Beer or Porter sold under this license shall be brewed from good materials and its quality shall be such as to satisfy the Excise Commissioner, and shall be of the same quality and density as purchased from the Brewer, without dilution or adulteration. (15) Any Magistrate having local jurisdiction, or any officer acting under his warrant or Excise officer shall be allowed entry to the shop at any hour to test the Beer or Porter on the premises and examine the shop accounts, which it shall be the duty of the license-holder and vendor to keep and produce. Such accounts shall be true and correct, and written up daily in the prescribed forms. All condemned Beer shall be destroyed.

(16) He shall close his shop by 9 P.M., and not open it before sunrise, except on special permit in cases of Native festivals, etc.

For *Deputy Commissioner.*

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7493, *dated* 18*th March* 1912.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1912 and ending 30th June 1913, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Condition of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the intitial deposit equals or exceeds two months' rent.

XII. Persons to whem shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State; to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

*Gold Fields Magistrate's Court. †Deputy Amildar's Office.

Notification No. 7494, *dated* 18*th March* 1912.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1912 TO 1915.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule noted below during the three years beginning 1st July 1912 and ending 30th June 1915, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The Officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half † a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit made under condition II may be raised to one month's khist in addition to the deposit unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales or over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

---

* Deposits may be in cash or other approved security.

† (For this alteration *vide* G. P. No. Fl. 4881-2—S. R. 176-09-2, dated 2nd April 1910.)

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses:—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officers authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days, from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers and the premises shall be kept clean and in a sanitary condition.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

(8) No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(9) No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

(10) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc. in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(15) No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license.

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments,

(2) to policemen, Excise officers and Railway servants when on duty ; or

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police ;

(2) child under sixteen years of age ;

(3) insane person ; or

(4) persons known or believed to be intoxicated.

(16) No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(17) No holder of any Excise or Opium license will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

(18) Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

(20)* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

(21)† No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

(22) True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the Local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

(23) Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

(24) Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. Earthen measures may, however, be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises.

(25) Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licenses, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

(26) An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(27) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

Note.—In the malnad and semi-malnad taluks the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

(28) No remission or abatement of the rent shall be claimable on any account whatever.

(29) Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

(30) Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the last working day of the month for which the khist is due (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right

to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the resale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

(32) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(33) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

Notification No. 7245, *dated* 11*th March* 1912.

NOTICE OF SALE OF FOREIGN LIQUOR LICENSES FOR THE YEAR 1912-13.

Notice is hereby given that the privilege of selling Foreign Liquor under the licenses mentioned in the subjoined schedule during the year beginning 1st July 1912 and ending 30th June 1913 will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the schedule, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit of Rs. 20 must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale.

3. The shops will be put up to auction at an upset price of Rs. 150 per annum.

4. Every shop should, as a rule, be sold independently.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid, which he may consider to be purely speculative, after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop resold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's rent in addition to the deposit made under condition 2, unless the initial deposit equals or exceeds two months' rent.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on

* Deposits may be in cash or other approved security.

his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The licenses issued under the above clauses will be subject to the following conditions :—

The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. SALE OF COUNTRY BEER TAVERN IN THE BOWRINGPET TALUK FOR 1912-13.

Notice No. 7380, *dated* 13*th March* 1912.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in the tavern in the Kolar Gold Fields for the twelve months beginning with 1st July 1912, and ending with 30th June 1913, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 250 per mensem. If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 35 per hogshead of Beer or Porter which will be sold in the tavern.

3. The manufacturers of Beer may bid for or purchase the tavern.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Resales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely :—

(1) The privilege conferred by the license extends to the sale of Country Beer or Porter brewed on the Nilgiris in Breweries which may be approved of by the Government or by Messrs. Meakin & Co., Kirkee, or by Messrs. Abraham and Gangadhara Chetty & Co., Bangalore, or in any other Brewery approved by Government.

(2) Each tavern shall be maintained in or close to the existing tavern as may be determined by the Deputy Commissioner.

(3) The amount payable for each month on account of the number of hogsheads of Beer or Porter sold, shall be paid into the Taluk Treasury in the first week of the following month, on the challan prescribed for the purpose. The security deposit shall be taken towards the amount due for the last two months of the period of the lease. Failing payment as above, the Deputy Commissioner shall

at once proceed to recover the arrears together with interest at the rate of one pie per rupee per mensem or part thereof under the rules in force for the collection of land revenue. No remission or abatement of the Government dues shall, on any account whatever, be claimable by the licensee.

(4) The licensee shall further pay a duty of two annas and one pie and a half for every gallon of Country Beer or Porter purchased by him.

(5) The consignment of Country Beer or Porter purchased by the licensee, shall be sent direct from the Brewery to the Amildar of the taluk. The letter of advice covering the consignment shall be in duplicate, the original being sent to the Amildar of the taluk, and the duplicate to the Excise Commissioner. On the duty at the abovementioned rate being paid by the licensee on the prescribed challan, the Amildar shall allow the licensee to remove the consignment to his tavern upon a pass signed by the Amildar or other officer authorized on this behalf.

(6) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Beer or Porter, which forms shall be purchased from local Excise officers.

(7) The licensee shall be bound to take over any Beer or Porter which remained as stock in hand belonging to the out-going licensee on the 1st July 1912, in the existing tavern, paying to the latter such compensation for the same as may be fixed by the Excise Commissioner.

(8) This lease shall not be transferable by sale, gift, mortgage or otherwise without the previous sanction of the Excise Commissioner.

(12) He shall fix in a conspicuous place outside of his shop a board on which shall be legibly painted his name, vendor's name, the number of his shop, and the article he is licensed to deal in.

(13) He shall not receive any articles whatsoever in barter or pledge, and payment for Beer or Porter shall be made in ready money only at one and a half rupee per imperial gallon and proportionately for fractions thereof.

(14) The Beer or Porter sold under this license shall be brewed from good materials and its quality shall be such as to satisfy the Excise Commissioner, and shall be of the same quality and density as purchased from the Brewer, without dilution or adulteration. Wort shall not exceed 1,073°. The Beer or Porter sold shall not contain more than 8 per cent alcohol by volume. (15) Any Magistrate having local jurisdiction, or any officer acting under his warrant or Excise officer shall be allowed entry to the shop at any hour to test the

(19) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

9. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity by any person in his employment, or in the event of the licensee neglecting to open his tavern or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his tavern on 1st July 1912, shall be made good by him. JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE AT BANGALORE.

CIVIL SIDE.

Rule of Practice No. 151, *dated* 23*rd March* 1912.

The following rules in regard to the reception and admission of documents in evidence and their return having received the sanction of Government, are issued for the guidance of all Civil Courts.

The provisions of the Code of Civil Procedure in regard to the reception and admission of documents in evidence are too often either entirely overlooked or very imperfectly complied with. It is often impossible to say what papers on the file constitute the true record. Copies of extracts from public or private records or accounts referred to in the judgment as having been admitted in evidence are frequently incomplete and sometimes altogether wanting.

2. Documentary evidence may be conveniently grouped into three classes representing as many stages in the progress of a suit :—

Class I—Documents upon which the plaintiff sues or relies.—

By Rule 14 of Order VII of the Code of Civil Procedure where a plaintiff sues upon a document, he must produce it with his plaint, and where he relies on any other document, he must enter such document in a list to be attached to the plaint. By Rule 18 of the same order no document which has not been so produced or listed can be received in evidence without the leave of the Court.

Class II—Documents which become material upon the settlement of issues.—

Rule I of Order XIII makes it incumbent on the parties to produce at the first hearing of the suit all documentary evidence on which they intend to rely and all documents which the Court has ordered to be produced.

Class III—Documents which become relevant during the course of a trial, e.g., previous statements put in to contradict or corroborate the testimony of a witness, documents handed to a witness to refresh his memory, documents filed for comparison of handwriting, etc.

3. All documents tendered in evidence shall be accompanied by a list in the following form (Civil Procedure Code, App. H No. 5):—

List of documents produced by plaintiff (or defendant).

As soon as a list is filed, the particulars mentioned in clauses (*a*), (*b*) and (*c*) of Rule 4, sub-rule (1), of Order XIII will be endorsed upon the back of each document. A specimen form of endorsement is appended.

A. B. *Vs.* C. D.

Suit No. 15 of 1909-10.

Filed by plaintiff on 2nd August 1909.

4. Before a document can be used as evidence it must be either proved or admitted in the manner prescribed by Chapter V of the Evidence Act. It may be pointed out that the expression "proved" as used in this Chapter does not mean conclusively proved, but proved unless and until disproved. The signature of a debtor on a bond is proved by the evidence of any person who deposes to having seen such signature made, and the bond being thus proved is admissible in evidence though the signature in question may subsequently be held to be a forgery. Similarly, a document purporting to be thirty years old which is produced from proper custody may be at once used in evidence though its genuineness may ultimately be disproved.

5. Rule 5 of Order XIII provides for the substitution of copies for originals in the case (1) of a letter book or a shop book or other accounts in current use, (2) of public records; and it gives precise instructions as to the manner in which these copies are to be examined, compared and certified. Whether these books, accounts or records are produced on behalf of a party or in obedience to an order of the Court acting of its own motion, a copy of those entries which are relevant to the case should invariably be required to be furnished so that the proceedings may be complete in themselves.

6. In the case of any document which is considered by the Court to be inadmissible in evidence, the endorsements will be completed as under:—

Documents tendered in evidence but rejected will be returned, either at once or at the conclusion of the trial, to the person by whom they were tendered, who will append his signature in column 4 of the list referred to in paragraph 3 against each document so returned.

7. Immediately on a document being admitted in evidence, the endorsement already referred to will be completed and signed by the Judge. Specimen forms of completed endorsements are subjoined:—

Judge.

When endorsements are stamped on an exhibit, care should be taken to avoid defacing any written or printed matter.

8. Separate lists of the documents admitted in evidence on behalf of each party will be prepared in the following form :—

List of documents admitted in evidence for the plaintiff (or defendant).

Distinguishing letter or number	Description of document	Date of admission	Remarks
1	2	3	4

(Signature)

Judge.

Documents should be entered in these lists in the order in which they are admitted and marked. If any document has been admitted subject to objection, this fact should be noted in the column of remarks.

9. In marking documents, letters may conveniently be used for the plaintiff, and numbers for the defendant. Thus the series of the plaintiff's exhibits will be A. B. C., etc., and of the defendant's exhibits I, II, III. Where defendants put in separate sets of exhibits, each series may be distinguished thus :—1/I, 1/II, 1/III, etc., 2/I, 2/II, 2/III, etc. Where a number of documents of the same nature are admitted, as for example, a series of entries in an account book or of receipts for rent, the whole series should bear one letter or number, a small letter or small number being added to distinguish each paper of the series.

10. It is incumbent on a Court before proceeding to Judgment to finally revise the record on which such judgment is to be based, to see that all documents which have been used as evidence are on the record and to return to the parties any papers still on the record which have not been admitted in evidence.

11. Where documents are unnecessarily filed, the costs incurred in connection therewith should ordinarily be thrown upon the party filing them, irrespective of the result of the suit.

12. The provisions for the return of documents admitted in evidence are contained in Rule 9 of Order XIII. In cases in which an appeal is allowed by law, no document shall be returned until the period allowed for such appeal has elapsed and no appeal has been preferred, or until such appeal, if preferred, has been disposed of, unless the person applying for the return of such document delivers a certified copy to be substituted for the original. The return of any document should be noted in the list referred to in paragraph 8.

13. To every copy of a decree given to the parties to a suit or case there shall be annexed a printed notice in the following form, calling upon them to withdraw their exhibits as soon as the decree shall have become final :—

Notice to take back documents.

In the Court of.....

The parties in the above suit are hereby required to take back as soon as the decree shall have become final, the documents produced by them which are exhibits in the above case. If they fail to take them back, the documents will be destroyed when the record is destroyed.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7493, *dated* 18*th March* 1912.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1912 and ending 30th June 1913, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Condition of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the shop shall not be used as a place of residence save by the vendor and his family or caretakers and the premises shall be kept clean and in a sanitary condition.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to

forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Asstant Commissioners shall have power also to close any shops temporarily in times of religioius excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise Officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. In the case of toddy shops earthen measures may be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises,

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits if any arising from the resale or other disposal of the privilege. The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

(3) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount of duty and price shown in the said receipt which will be forwarded to the Deputy Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid, as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(4) The licensee shall sell palmyra jaggory and molasses arrack to the public at Rs. 6-6-0 per gallon of 25° U. (7) No consignments of arrack received at the shop and which have been transported through British Territory shall be opened before they have been verified by the officers authorized to do so.

(8) The arrack kept in his shop, offered for sale and sold, shall be unadulterated and undiluted, and it shall be of the same quality and strength as issued from the Bonded Depot subject to such margin as may be allowed by the Excise Commissioner from time to time.

NOTE.—The licensee shall not open the sample bottle issued to him by the Bonded Depot-keeper with each consignment, till the bulk of the liquor in the consignment is exhausted.

(9) No water or other beverage, or liquor other than arrack of any quantity whatever shall be kept or sold in the shop in which arrack is sold, or on the person or in possession of the license-holder or vendor or any of his employees in the shop.

XXI. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. In the case of trees on Government unoccupied lands reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of trees for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions:—

(a) Date trees shall be tapped only by professional men.

(b) Trees tapped one year shall not ordinarily be tapped the next year.

(c) Trees shall not be over-tapped or over-worked.

(d) In no date trees shall the initial incision be made at any point less than three feet from the ground except in places where permission is specially given by the Deputy Commissioner.

(e) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(f) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(g) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(h) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(i) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is re-sold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency; and

(*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed challen form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will

transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent and such countersignature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

8. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

Against "Mudigere" for "25th May 1912" read "25th April 1912."

Notification No. 7494, *dated* 18*th March* 1912.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1912 TO 1915.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule noted below during the three years beginning 1st July 1912 and ending 30th June 1915, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The Officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half † a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit made under condition II may be raised to one month's khist in addition to the deposit unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales or over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

* Deposits may be in cash or other approved security.

† (For this alteration *vide* G. P. No. Fl. 4881-2—S. R. 176-09-2, dated 2nd April 1910.)

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses:—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officers authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days, from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers and the premises shall be kept clean and in a sanitary condition.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

(8) No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(9) No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

(10) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(15) No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the last working day of the month for which the khist is due (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the resale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

(32) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(33) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

(34) Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the $\frac{\text{Excise Regulation}}{\text{Opium Act}}$ or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

(35) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them, and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. (39) No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

(40) No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal Toddy. But in tracts where both Date and Bagani Toddy shops exist, the licensee of the Date Toddy shop shall not tap Bagani trees and the licensee of the Bagani Toddy shop shall not tap Date trees; but both licensees can tap any of the other Palm trees named above.

(2) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. In the case of trees on Government unoccupied lands reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting the applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of tree for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalment of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is resold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making or for agricultural or other purposes when they make use of the trees assigned for such purposes and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner, from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the Schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-men to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy producing trees and for the drawing of toddy therefrom :—

1. Tree tapping licenses in the prescribed form shall be issued on the application—

   (*a*) of licensed toddy shop-keepers or of their duly authorized agents;

   (*b*) of toddy shop-keepers or renters in the Madras Presidency; and

   (*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

   The licenses may be issued in the name of the applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked in token of his consent. Applications for tree-tapping licenses for trees in the State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, or, in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the

proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in the tavern in the Kolar Gold Fields for the twelve months beginning with 1st July 1912, and ending with 30th June 1913, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 250 per mensem, If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 35 per hogshead of Beer or Porter which will be sold in the tavern.

3. The manufacturers of Beer may bid for or purchase the tavern.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Resales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely :—

Notice No. 7379, *dated* 13*th March* 1912.

1. Notice is hereby given that the exclusive privilege of selling English Draught Beer or Porter in the tavern established in the Kolar Gold Fields for the year beginning with 1st July 1912 and ending with 30th June 1913 will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 100 per mensem. If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 25 per hogshead of Beer or Porter which will be sold in the tavern.

3. Each bidder at the auction shall deposit a sum of Rs. 100 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

4. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

5. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 200 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to the value of the tavern, and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale it will be binding on his heirs or assigns.

6. Resales effected under para 6 *supra* will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely,—

Samples of such Beer or Porter shall be sent duly bottled from the tavern for examination and test whenever required by the Excise Department.

(15) Any Magistrate having local jurisdiction, or any officer acting under his warrant or Excise officer shall be allowed entry to the shop at any hour to test the Beer or Porter on the premises and examine the shop accounts, which it shall be the duty of the license-holder and vendor to keep and produce. (19) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

8. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity by any person in his employment, or in the event of the licensee neglecting to open his tavern or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his tavern on 1st July 1912, shall be made good by him. B. SHAMANNA,
For *Excise Commissioner.*

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7493, *dated* 18*th March* 1912.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1912 and ending 30th June 1913, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Condition of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the shop shall not be used as a place of residence save by the vendor and his family or caretakers and the premises shall be kept clean and in a sanitary condition.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to

forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assstant Commissioners shall have power also to close any shops temporarily in times of religioius excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. In the case of toddy shops earthen measures may be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises,

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall re-sell on the last working day of the month for which the khist is due (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits if any arising from the resale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee

either (*a*) fine up to Rs. 50;
or (*b*) forfeiture of deposits, if any, and cancellation of license and re-sale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it, nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. In the case of trees on Government unoccupied lands reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of trees for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.

(4) The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licenses granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

(5) If any instalments are not paid within the time, the tapping license shall be liable to be cancelled or suspended under Section 26 of the Excise Regulation.

(6) In case of default, the Amildar with the Deputy Commissioner's permission, or other officer appointed for the purpose by the Deputy Commissioner, will order the suspension of the tapping license till the arrears are paid up; and if, after receiving notice of such suspension, the defaulter continues to tap the trees, he will be prosecuted for illicit tapping.

(7) Tree-rent at Re. 0-4-3 per annum shall be paid at the time of application for a tapping license for all Government trees applied for being tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station, Bangalore.

NOTE.—No trees on Government occupied land can be tapped without the consent of the owner. The present arrangements as regards trees in alienated land will hold good, subject of course, to the levy by Government of tree-tax.

(8) The tapping of date trees is subject to the following conditions :—

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be over-tapped or over-worked.

(*f*) Every fresh incision shall not be less than one foot above the last incision except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him, which may die from over-tapping or careless tapping either during the lease or within six months after its expiration. He will be liable to pay a similar fine for every tree which he prepares for tapping if it dies in consequence of such preparation before he taps it.

(*j*) The licensee will not be entitled to compensation for any trees withdrawn or taken up for public purposes or for any trees standing on the banks or beds of irrigation works under the control of the Public Works Department which that department may require to cut down or strip of their leaves or branches.

(*k*) When the licensee makes default and his shop is re-sold, his rights to and claims on Government trees cease and determine.

(9) The licensee shall not interfere with the persons holding license for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes when they make use of the trees assigned for such purposes, and not reserved for tapping.

(10) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which license will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(11) The distillation of spirit from toddy is absolutely prohibited.

(12) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized in this behalf.

(13) Tree-foot sales or sales in the open or the disposal of toddy in any other manner unauthorised by the rules, are strictly prohibited. Provided, however, that in Bagani tracts, the licensee who has purchased the right of vend of Bagani toddy, may permit the tapping of Bagani trees for domestic consumption as well as for sale within the limits of the village purchased by him.

(14) The licensee or his vendors shall not sell to any person more than three measuring seers of toddy to be consumed by the person at one time in the shop, nor shall it be sold to the public at less than the retail rates fixed by Government and mentioned in the schedule. Toddy can be removed without a permit for consumption up to the limit of one imperial gallon or four seers.

(15) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tap-man to enable Excise Officers to examine spathes or incisions as the case may be.

(16) The licensee shall pay the usual mohatarfa tax on carts used for conveying toddy but such carts shall not be impressed for Government work.

(17) The following rules shall regulate the issue, etc., of licenses under Section 12 of the Mysore Excise Regulation, V of 1901, for the tapping of toddy producing trees and for the drawing of toddy therefrom :—

1. Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized agents;

(*b*) of toddy shop-keepers or renters in the Madras Presidency ; and

(*c*) of tree-owners in coffee estates, hittals and kans in malnad free of the prescribed tree-tax for drawing toddy for *bona fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 28th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of applicant himself or of his nominee.

2. Application for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the local Treasury. Forms may be obtained from him or the Assistant Inspectors under him. Applicants must first pay the first instalment of tree-tax together with the tree-rent on Government trees due on account of the trees which they desire to tap.

3. The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed challen form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules; and will obtain a

transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

4. Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent and such countersignature shall, in the case of illiterate owners, be attested by the patel or shanbhog of the village in which the trees stand. Applications for tree-tapping licenses for trees in the State Forest and plantations should be countersigned by the Forest Range Officer in token of his consent.

5. On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector or in special cases by an officer not inferior in rank to a Sub-Inspector and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

6. No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

*Gold Fields Magistrate's Court. † Deputy Amildar's Office.

Notification No. 7494, *dated* 18*th March* 1912.

NOTICE OF SALE OF DATE TODDY SHOPS FOR A PERIOD OF THREE YEARS FROM 1912 TO 1915.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose and published in the Schedule noted below during the three years beginning 1st July 1912 and ending 30th June 1915, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. (*a*) The shops will be put up to public auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. The upset price at which the shop or shops will be put up to auction will be the average of the three previous years' rentals. This price will not be lowered; and if there are no bids for or above the upset price, the shop or shops will generally be sold for a period of one year only, and then the conditions applicable to the annual lease of toddy shops by auction will apply to these shops also.

(*b*) The Deputy Commissioners have full discretion to work the scheme of the two years' lease if the rentals realized for the whole taluk is not less than the average of the three previous years' rentals, though individual shops may not fetch a rental equal to the average of its three previous years' rentals.

(*c*) The rentals and the consumption of the previous three years together with their average will be published for the information of bidders.

(*d*) The privilege in any coffee estate may be sold to the planter for a fixed amount not less than Rs. 12 per shop per annum.

(*e*) Toddy shops in alienated villages whose claims to the Excise Revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances, limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The Officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an

acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons, and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit * of half † a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit made under condition II may be raised to one month's khist in addition to the deposit unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also deposit * such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of a purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales or over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from, each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Resales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

---

* Deposits may be in cash or other approved security.

† (For this alteration *vide* G. P. No. Fl. 4881-2—S. R. 176-09-2, dated 2nd April 1910.)

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for toddy licenses:—

General conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

(2) The limits within which sales under any Excise or Opium licenses may be carried on, will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited, except with the special permission of the Deputy Commissioner.

NOTE 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officers authorized by him, subject to the approval of the particular site selected.

NOTE 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days, from the date of sale.

(3) Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop, and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in municipalities or towns having a population of 5,000, and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and night and the shop shall not be used as a place of residence, save by the vendor and his family or care-takers and the premises shall be kept clean and in a sanitary condition.

(4) Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

(5) A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

(6) All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

(7) The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease, and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

(8) No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

(9) No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

(10) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

(11) No person shall be harboured in any depot or shop during the night.

(12) Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a regiment or detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall, on his own motion, close his depot or shop when there is riot or disturbance in the neighbourhood.

(13) The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

(14) The right is reserved to the Deputy Commissioner to grant "occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(15) No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license.

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments,

(2) to policemen, Excise officers and Railway servants when on duty ; or

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police ;

(2) child under sixteen years of age ;

(3) insane person ; or

(4) persons known or believed to be intoxicated.

(16) No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(17) No holder of any Excise or Opium license will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium license outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

(18) Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must be maintained therein. Shops not opened by 1st July shall be liable to be resold at the risk of the licensees.

(19) No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit

sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

(20)* No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.

(21)† No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.

(22) True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the Local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

(23) Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

(24) Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. Earthen measures may, however, be used provided they are of the same capacity as those of the prescribed measures which must however be maintained in all licensed premises.

(25) Any officer of the Excise Department of rank not lower than Sub-Inspector is authorized to inspect licensed shops and depots. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depot. Police Officers will also make inspections when it comes within the scope of their duty.

(26) An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(27) The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

Note.—In the malnad and semi-malnad taluks the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

(28) No remission or abatement of the rent shall be claimable on any account whatever.

(29) Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

(30) Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

(31) In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall resell on the last working day of the month for which the khist is due (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right

to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture at the discretion of the Deputy Commissioner who may either direct such forfeiture or appropriate the same towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the resale or other disposal of the privilege. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending resale or other disposal of the privilege.

(32) Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

(33) Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and resale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

(34) Any license may be forfeited and the privilege be resold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the $\frac{\text{Excise Regulation}}{\text{Opium Act}}$ or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

(35) Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise Opium Laws or of engagements entered into by them, and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

(36) Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

(37) With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

(38) All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws, and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

(39) No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

(40) No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Toddy Licenses.

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal Toddy. But in tracts where both Date and Bagani Toddy shops exist, the licensee of the Date Toddy shop shall not tap Bagani trees and the licensee of the Bagani Toddy shop shall not tap Date trees; but both licensees can tap any of the other Palm trees named above.

(2) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands under private arrangements between himself and the owners of such lands. In the case of trees on Government unoccupied lands reserved for future use the previous sanction of the Excise Commissioner should be obtained before accepting the applications for licensing them. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same.

(3) No toddy except the produce of tree for the tapping of which a license has been issued shall be kept in the shop or offered for sale or sold.
